

PROPOSAL FOR AWARDING OF COLOURS (BLAZERS) FOR SARL

This is a basic proposal taking into consideration the regulations as provided by SASCOC for the issuance of National Colours, as well as ideas and recommendations by Board Members.

There will be three levels of Colours, namely Rhino Colours, National Team Colours and Provincial Colours

Rhino Colours

This is the highest accolade you can get in SARL. The blazer is a green blazer with Gold piping and with the Rhino Logo on the breast pocket. This blazer is reserved for the following persons only:

- *President of SARL in Office*
- *Vice-President of SARL in Office*
- *Honorary Life Members of SARL*
- *Previous Presidents and Vice-Presidents of SARL*
- *Members of SARL who have delivered exceptional service to the sport through selflessly giving their time and expertise to promote the sport, both in South Africa and abroad*

*In ALL instances an application must be made to the National Board of SARL for the awarding of Rhino Colours. The awarding of Rhino Colours can only be done with the proposal being submitted to the National Board by a member of the Board, and seconded by another board member. **The mere fact that a position was once held in SARL is not adequate motivation to present the blazer and sufficient motivation needs to be made.** The awarding will however depend on a majority vote of the Board for or against an Application.*

AWARD “With Honours”

A Green blazer with the Rhino Logo on the left side will be awarded only if sufficient motivation is given to the effect and with the approval of all members of the National Board. The recipient will be allowed to add gold piping to the jacket.

BADGES

Only the President and Vice-President in office, may have the applicable titles of **PRESIDENT SARL** and **VICE-PRESIDENT SARL** embroidered on their blazers in lettering beneath the Rhino Emblem.

- It is noted that should a Vice-President steps down from office, the embroidery, **VICE-PRESIDENT** needs to be removed from the Jacket and if necessary and under certain circumstances, the logo may be replaced. (A **PRESIDENT** may add the term of office served underneath the Rhino Emblem once he is replaced or stepped down.)

Other colors that can be awarded.

1. **SARL PIONEERS:** Blue Blazer with the Protea emblem on the right pocket area with the underwriting "**SARL Pioneers.**"
2. **HONORARY PATRONS:** (Clubs) Maroon blazer with the club logo on the right hand breast pocket area. Underwriting: "**Honorary Patron**"
3. **HONORARY PATRONS:** (SARL) : Blue blazer with the Protea logo on the right hand packet area. Underwriting: "**Honorary Patron**"
4. **LEGENTS/IMORTALS :** Green blazer with the Protea logo on the right hand pocket area with the underwriting : "**Legends**"

NB: Dual Nomination: LEGEND / IMORTAL : Green blazer with the **RHINO LOGO** as pocket emblem with the underwriting :"**LEGEND-IMORTAL SARL**". Gold piping.

(In case where a member is nominated as a "**LEGEND of Rugby League**, then Gold piping may be added to a **GREEN** blazer with the Protea as pocket logo and the underwriting "**LEGEND**".

NATIONAL TEAM COLOURS (ELSE KNOWN AS PROTEA COLOURS)

South Africa Rugby League may apply its own Protea design seeing that a Protea is available. (The design is approved by the then Minister of Sport and Recreation, The Hon. Minister M. Stofile 2010).

A Green blazer can only be awarded to players and administrators who have represented South African Rugby League in international tours and competitions. The blazer with the SASCOC Protea on the jacket (if permissible and if not a SARL Protea) will have gold piping.

- Senior Rugby League players who represent South Africa in an international test match
- Senior Rugby League Players who represent South Africa at an international tournament
- Senior Rugby League Technical staff who represent South Africa in international matches and/or at tournaments
- Student Rugby League players if they represent South Africa in an international World Cup or World Championship event

In ALL instances the application for National Team Colours needs to be submitted to the National Board, and approved by the National Board and the relevant governing bodies.

PROVINCIAL COLOURS

Each province has the sole responsibility to award Provincial Colours. The Provincial blazer can be any colour as decided by the Provincial Board, and have the provincial logo on the pocket. The emblem can either be the official Provincial Coat of Arms, (only with the permission of the SA Provincial Governance Authority) or if decided by majority decision by the province, an alternative logo representative of the province

Awarding of Provincial Colours may be awarded the following:

- Provincial Chairmen
- Provincial Board members
- Provincial Players if they have represented their province in an international or national competition and/or tournament
- Members of the province who have delivered exceptional service to the province in promoting the game of rugby league in the province (subject to approval by both the Provincial and National Board)
